

## 2021 Refresher Sessions (Updated 7/27/21)

### Goals:

- > In each session, address a new set of calls from the Mainstream List
- > Provide, as needed, call definition, a walk-through, and some dance experience for each “new” call, with emphasis on the calls listed in **Bold**.
- > Start every session by exercising most of the calls covered in previous sessions, with emphasis on exercising all of the previous **Bold** calls..

### Notes:

- > Each *Refresher Session* covers 3+ normal *Teaching Sessions*, (not counting *Teaching Sessions* dedicated to review). So, lots to cover.
